I take the chance to lose my soul, my life, my pride  
I take the chance to be with you  
I've tried to live my life the best I can  
I've prayed I'd never cheat to heed my heart's  
command

But dear you know to one I've been untrue  
I wonder if you think I'd do the same by you  
I take the chance of causing you to doubt my love

I take the chance to be with you

I know it's wrong for us to steal a kiss  
And when you hold me in your arms I can't resist  
I have a home and someone kind and true  
I know I'd lose it all if I was seen with you

I take the chance to lose my soul, my life, my pride  
I take the chance to be with you
