Close your eyes, close the door
You don't have to worry anymore
I'll be your baby tonight

Shut the light, shut the shade
Oh, you don't have to be afraid
I'll be your baby tonight

Oh well, that mockingbird is gonna sail away
We're gonna forget it
And that big fat moon is gonna shine like a spoon
But we're gonna let it you won't regret it

Kick your shoes off do not fear
Oh, bring that bottle over here
I'll be your baby tonight

Oh well, that mockingbird is gonna sail away
We're gonna forget it
And that big fat moon's gonna shine like a spoon
But we're gonna let it you won't regret it

Kick your shoes off do not fear
Oh, bring that bottle over here
I'll be your baby tonight
I'll be your baby tonight
