A song on the clouds is a-rolling by slowly  
While me and my pencil ain't making a scratch  
This is a hard way to go but it's all I've got going  
Wherever I'm going I won't leave no tracks.

The hill I've been climbing just turned to a mountain  
I'm caught in the backwash of cheap talk and wine  
To tell you the truth, I don't think I can make it  
'Cause I'm going crazy in three quarter time.

--- Instrumental ---

I said to myself on the day that you left me  
If I see what I sound like would I be so blind  
But it's all in the search of a perfect companion  
And I thought I had found one till you said goodbye.

The hill I've been climbing just turned to a mountain  
I'm caught in the backwash of cheap talk and wine  
To tell you the truth, I don't think I can make it  
'Cause I'm going crazy in three quarter time.

Yes, I'm going crazy in three quarter time.

--- Instrumental to fade ---
