In my hour of darkness  
In my time of need  
Oh Lord, grant me vision  
Oh Lord, grant me speed

Once I knew a young man  
Went driving through the night  
Miles and miles without a word  
With just his high-beam lights

Who'd have ever thought  
They'd build such a deadly Denver bend  
To be so strong, to take so long  
As it would till the end

In my hour of darkness  
In my time of need  
Oh Lord, grant me vision  
Oh Lord, grant me speed

Another young man safely strummed  
His silver string guitar  
And he played to people everywhere  
Some say he was a star

But he was just a country boy  
His simple songs confess  
And the music he had in him  
So very few possess

In my hour of darkness  
In my time of need  
Oh Lord, grant me vision  
Oh Lord, grant me speed

Then there was an old man  
Kind and wise with age  
And he read me just like a book  
And he never missed a page

And I loved him like my father  
And I loved him like my friend

And I knew his time would shortly come  
But I did not know just when

In my hour of darkness  
In my time of need  
Oh Lord, grant me vision  
Oh Lord, grant me speed  
Oh Lord, grant me vision  
Oh Lord, grant me speed
