I remember those nights down in Rodanthe  
Through the storm, through the darkness, I am ending  
I never knew I was so lost until you touched me  
And I was set free  
In the hours, the sky was wide and weeping  
You broke me from a secret I been keeping.  
Before you, there was no love, and no believing  
I was only dreaming, until Rodanthe  
When seagulls go soaring in the sun  
I would follow the rugged ponies as they run  
When you come like the moon goes on the dark  
To your side, in Rodanthe  
Oh, oh, they run  
When I was room, and you were you  
Oh, oh, they run  
When we come in only time that you realize  
Mornings come and go here in Rodanthe  
And in my heart, you'll always be here with me  
As my journey through this world keeps getting long  
I will be strong  
And though I know I must go on without you

Every moment of my life I'll think about you  
And I still hear those words that you gave me  
When you said: down in Rodanthe.

Oh, ohâ€¦

Oh, ohâ€¦

Oh, ohâ€¦

Oh, oh, ohâ€¦

Ohâ€¦

Oh, oh, oh, ohâ€¦

Oh

Oh, oh, ohâ€¦
