(Hank Cochran - Glenn Martin)

He was always there each time I needed you
Holding on to me like I held on to you
We still don't have what you and I once had
No it's not love but it's not bad.

No it's not love not like ours was it's not love
But it keeps love from driving me mad
And I don't have to wonder who he's had
No it's not love but it's not bad.

--- Instrumental ---

I turn to him when you leave me alone
Sometimes even when you're here and you're still gone
He's slowly changing what you leave so sad
No it's not love but it's not bad.

No it's not love not like ours was it's not love
But it keeps love from driving me mad
And I don't have to wonder who he's had
No it's not love but it's not bad.

No it's not love but it's not bad...
