Love it's not I who didn't try hard enough, hard enough
And this is why I'm saying goodbye I've had enough,
I've had enough
Love you don't see the pain in me that's plain enough,
plain enough
You're never here to catch the tears I cried for us, I
cried for us.

I'll take my share but I'll be fair,
There's not much stuff easy enough
And if you choose I'll break the news
This part is tough, so very tough.

--- Instrumental ---

I've tried and tried to put aside
The time to talk, but without luck
So I'll just pin this note within your coat
And leave the garden gate unlocked.

--- Instrumental ---

And this is why I'm saying goodbye
I've had enough, I've had enough...
