We were waltzing that night in Kentucky  
Beneath the beautiful harvest moon  
And I was the boy who was lucky  
But it all ended too soon.

As I sit here alone in the moonlight  
Oh I can see your smiling face  
And I long once more for your embrace  
In that beautiful Kentucky waltz.

--- Instrumental ---

And I long once more for your embrace  
In that beautiful Kentucky waltz.

--- Instrumental to fade ---
