Another day another reminder that your not here with
me,
I watch the snowflakes falling from the sky then I get
lost in memories,
The time we tried to build a snowman, the time we tried
to count the stars,
Its crazy how we didn't know that wed ever be apart,

Chorus

I can hear the music playing,
See the lights upon the tree,
I can feel the joy in every soul,
But for me its incomplete,
And I try my best to play the part,
But no matter what I do,
No it just don't feel like Christmas, without you.

Another tear, another regret boy, that your so far away,
Can it be, that it was only last year we shared that
Christmas day?
Remember when we took the sleigh ride, remember
singing by the fire?

Theres to much that's in the daylight, I keep reliving
you and I.

Chorus

Time to try to build a snowman, the time we try to count
the stars,
Its crazy how we didn't know that wed ever be apart!

I can hear the music playing,
See the lights upon the tree,
I can feel the joy in every soul, but for me its
incomplete,
And I try my best to play the part
But no matter what I do,
No it just don't feel like Christmas, no it just don't feel
like Christmas, without you.

See I tried but it jut aint right, without you.
