Maybe tonight I'll get lucky
I've been lonely too long
Maybe tonight some dark stranger
Will hear me singing this song

I've been down, I've played around
I don't like it that way
Love, won't you treat me right
Maybe tonight?

Maybe this time I'll be saying
The words that I wanted to say
Maybe this time I'll be staying
For more than just a day

I've been down, I've played around
I don't like it that way
Love, won't you treat me right
Maybe tonight?

I'm so tired of being free
Of living just for me
Oh love, won't you treat me right

Maybe tonight?

Maybe tonight I'll get lucky
I've been lonely too long
Maybe tonight some dark stranger
Will hear me singing this song

I've been down, I've played around
I don't like it that way
Love, won't you treat me right
Maybe tonight?

Well, I'm so tired of being free
Of living just for me
Oh love, won't you treat me right
Maybe tonight?

Well, I'm so tired of being free

Of living just for me
Oh love, won't you treat me right
Maybe tonight

Oh love, won't you treat me right
Maybe tonight, maybe tonight?
