"Old Five And Dimers Like Me"

I spent a lifetime making up my mind to be
More than the measure what I thought others could see
Good luck and fast bucks are too far and too few
between
Cadillac buyers and old five and dimers like me

Yes, she stood beside me letting me know who she
would be
Something to lean on when everything ran out on me
Fenced yards ain't hole cards and like is not never will
be
Reason for rhymers and old five and dimers like me
It's taken me so long but now that I know I believe
All that I do or say, all that I ever will be
Too far and too high and too deep ain't too much to be
Too much ain't enough for old five and dimers like me

Too far and too high and too deep ain't too much to be
Too much ain't enough for old five and dimers like me
And an old five and dimer is all I intended to be
