(Dan Fogelberg - Emmylou Harris)
Emmylou Harris & Dan Fogelberg

Silent sea tell this to me
Where are the children that we used to be..

At picture shows where nobody goes
And only the heart can see.

Starry skies, soft lullabies
Where do they go when their melodies die?
To a day, far, far away
That only the heart may know.

Friends we knew
Follow us through
All of the days of our lives
Love we shared
Waits for us there
Where our wishes forever reside.

Falling tears memories' mirrors
Where are summers oh, where are the years?

Carried far to a wandering star
That only the heart may know.

Friends we knew
Follow us through
All of the days of our lives
Love we shared
Waits for us there
Where our wishes forever reside.

Starry skies, soft lullabies
Where do they go when their melodies die?
To a day, far, far away
That only the heart may know.

That only the heart may know...
