Oh the pain of loving you oh the mis'ry I go through
Never knowing what to do oh the pain of loving you

You just can't stand to see me happy seems you hurt
me all you can

Still I go on loving you but I'll never understand

Oh the pain of loving you...

[ac.guitar - steel]

To love and hate at the same time the line between the
two is fine

But too has bound me heart and soul so strong that I
can't let you go

Oh the pain of loving you...

Oh the pain of loving you
