Sweet dreams of you  
Every night I go through

Why can't I forget you  
And start my life a new  
Instead of having  
Sweet dreams about you

You don't love me it's plain  
I should have known you'll never wear my ring

I know I should hate you

The whole night through  
Instead of having  
Sweet dreams about you

Sweet dreams of you  
Every night I go through

Why can't I forget you  
Start loving someone new  
Instead of having  
Sweet dreams about you

Instead of having  
Sweet dreams about you
