When I saw you standin' there on the street  
I found myself by your side  
I started wantin' you again  
There's just no way to hide

From that old lovin' you feelin' again  
It's really got me reelin' again  
It only seems to stop  
To start all over again with you

I remember how you'd always get  
That certain look in your eyes  
You're not easy to resist  
But I just walked on by

With that old lovin' you feelin' again  
(Lovin' you feelin' again)  
It's really got me reelin' again  
(Lovin' you feelin' again)  
Only seems to stop  
To start all over again with you  
That lovin' you feelin' with you

We were so close, we were too far apart  
I gave you my love, I wanted your heart  
Without yesterday caught in the way  
Maybe, we'd still be together

Sharin' that lovin' you feelin' again  
(Lovin' you feelin' again)  
It's really got me reelin' again  
(Lovin' you feelin' again)  
Will it ever stop  
And not start over again  
That lovin' you feelin' again

No matter how much I try  
(Lovin' you feelin')  
This lovin' you feelin' is why  
(Lovin' you feelin')  
It's taken such a long, long time

To say goodbye

And gettin' over you  
Is so hard to do  
With this feelin', lovin' you  
That lovin' you feelin' again

Lovin' you feelin' again  
Lovin' you feelin' again  
Lovin' you feelin' again
