O the dragons are gonna fly tonight
They're circling low and inside tonight
It's another round in the losing fight
Out along the great divide tonight.

We are aging soldiers in an ancient war
Seeking out some half remembered shore
We drink our fill and still we thirst for more
Asking if there's no heaven what is this hunger for?

Our path is worn our feet are poorly shod
We lift up our prayer against the odds
And fear the silence is the voice of God.
And we cry allelujah, allelujah
We cry allelujah.

Sorrow is constant and the joys are brief
The seasons come and bring no sweet relief
Time is a brutal but a careless thief
Who takes our lot but leaves behind the grief.

It is the heart that kills us in the end
Just one more old broken bone that cannot mend
As it was now and ever shall be amen
And we cry allelujah, allelujah
We cry allelujah.

So there'll be no guiding light for you and me
We are not sailors lost out on the sea
We were always headed toward eternity
Hoping for a glimpse of Gaililee.

Like falling stars from the universe we are hurled
Down through the long loneliness of the world
Until we behold the pain become the pearl
Cryin' allelujah, allelujah
We cry allelujah.

And we cry allelujah, allelujah
We cry allelujah...
