This is Us, Down at the Mardi Gras
This Is Us, in your daddy's car
You were the missing link
Yea, I had a little too much to drink now
Too long long in the sun
Having too much fun
You and me and our memories, this is us
This is us, This is us
This is us, This is us

You were working at the barbeque
Yea When I said I do
And jamming on the bar-room floor
You and that wedding coat you wore
You and that amazing dress
I was stoned on love I guess
You and me, we were meant to be, this is us
This is us, This is us
This is us, This is us

This is us on our honeymoon
in our hotel room
Sitting by the wishing well
Checking out our love hotel.

Making plans for the sunshine state
Waiting at the terminal gate
You and me making history, this is us.
This is us, This is us
This is us, This is us
This is us, This is us
This is us, This is us

And our baby born
With her pride and joy
You at the Sunday game
Standing next to what's name
On our anniversary
With the family
You and me and our memories, this is us
This is us, This is us
This is us, This is us

This is us, This is us
This is us, This is us
