To know know know him is to love love love him  
Just to see him smile makes my life worthwhile  
To know know know him is to love love love him and I  
do

I'll be good to him I'll bring love too him  
Everyone says, "There'll come a day when I'll walk  
alongside of him"

Yes just to know him is to love love love him and I do

Why can't he see how blind can he be?  
Someday he will see that he was meant for me

To know know know him is to love love love him  
Just to see him smile makes my life worthwhile  
To know know know him is to love love love him and I  
do
