I left Louisiana on the rail line, oo oo
I left Louisiana on the rail line, oo oo

Lost my love before her time, oo oo
Lost my love before her time, oo oo
On the way to Ohio, on the way to Ohio

Now every new love is just a shadow, oo oo
Every new love is just a shadow, oo oo

Once you've known love you don't know how to find
love, oo oo
Once you've found love you don't know how to find new
love, oo oo
All the way to Ohio, all the way to Ohio

I hear her voice singing through the pines in Ohio
I hear her voice singing through the pines in Ohio

Sing and bless my soul you crossed that line to Ohio
Bless my soul you crossed that line oo oo
All the way to Ohio, all the way to Ohio
All the way to Ohio, all the way to Ohio
