Walk through this world with me
Go where I go
Share all my dreams with me
I need you so

In life we search
And some of us find
I`ve looked for you
A long, long time

And now that I`ve found you
New horizons I see
Come take my hand and
Walk through this world with me

Walk through this world with me
Go where I go
Share all my dreams with me
I`ve searched for you so

And now that I`ve found you
New horizons I see
Come take my hand and
Walk through this world with me

Come take my hand and
Walk through this world with me
