In that resurrection morning  
When the trumpet of God shall sound  
We shall rise, we shall rise  
(Hallelujah)

Then the saints will come rejoicing and  
No tears will e'er be found  
We shall rise, we shall rise  
(Hallelujah)

We shall rise, we shall rise  
(Hallelujah, Amen)  
We shall rise, in that resurrection morning  
(Hallelujah)

When these prison bars are broken  
We shall rise, we shall rise  
(Hallelujah)

In that resurrection morning  
When the shades of life has fled  
We shall rise, we shall rise  
(Hallelujah)

In the day of glory dawning when the sea  
Gives up his dead  
We shall rise, we shall rise  
(Hallelujah)

I shall see my blessed savior  
Who so freely died for me  
We shall rise, we shall rise  
(Hallelujah)

And our fathers and our mothers and our  
Loved ones, we shall see  
We shall rise, we shall rise  
(Hallelujah)
