Wondering, wondering who's kissing you
Wondering, wondering if you're wondering too
Every hour through the day since you went away
I keep wondering, yes, wondering if you're wondering
too

I pray every night to the good Lord above
To send back to me the one I really love

Wondering, wondering who's kissing you
Wondering, wondering if you're wondering too

Every hour through the day since you went away
I keep wondering, yes, wondering if you're wondering
too

I pray every night to the good Lord above
To send back to me the one I really love

Wondering, wondering who's kissing you
Wondering, wondering if you're wondering too
Every hour through the day since you went away
I keep wondering, yes, wondering if you're wondering
too
