(Rodney Crowell)

Guess it's time for me to say just how it is that I feel  
today  
Today is just like any other day cause you've been on  
my mind  
It really hasn't been that long but it's funny where the  
time has flown  
Old memories just keep holding on and you been on  
my mind

You been on my mind sometimes  
I think I must be going blind  
I've seen a world baby without you  
But I don't see myself there too

Hardly does a day go by when I don't see your clear  
blue eyes  
Many night I just wonder why and you been on my mind  
You've been on my mind so long  
I've been thinking that something was wrong  
I've told myself I should forget

But I don't seem to have it yet  
I don't dream that you might change I don't think that  
I'm acting strange  
I tell myself it's all in vain and you been on my mind

You've been on my mind I've said  
Till it's all that's in my head  
Yes I know what I must do  
But I don't think you'll be there too

Guess it's time for me to go but as it is I'll never know  
Just what it is that I long for so And you been on my  
mind

You been on my mind
