You give your hand to me and then you say hello  
And I can hardly speak, my heart is beating so  
And anyone could tell, you think you know me well  
But you don't know me

No, you don't know the one, who dreams of you at  
night  
And longs to kiss your lips and longs to hold you tight  
Oh I'm just a friend that's all I've ever been  
'Cause you don't know me

For I never knew, the art of making love

Though my heart, aches with love for you  
Afraid and shy, I let my chance go by  
The chance that you might love me too

You know, I never knew the art of making love  
Though my heart aches with love for you  
Afraid and shy, I let my chance go by  
The chance that you might love me too

You give your hand to me and then you say goodbye  
I watch you walk away and in my heart I cry  
You'll never never know the one who loves you so  
'Cause you don't know me
