You wore out a brand new trunk
Packin' and unpackin' all your junk
Your mama's mad, she done got peeved
You're gonna change or I'm gonna leave

Well, this ain't right and that is wrong
You just keep naggin' all the day long
It's gonna stop, I don't mean please
Now you're gonna change or I'm gonna leave

The way to keep a woman happy and her do what's
right
Is love her every mornin' and do the same at night
Your mama's mad, she done got peeved

You're gonna change or I'm a-gonna leave

Every time you get mad
You pack your rags and go back to what you had
You tell her lies she don't believe
You're gonna change or I'm gonna leave

You're gonna change your way of livin'
Change the things you do
Stop doin' all the things that you aughten too
Your mama's mad, she done got peeved

You're gonna change or I'm a-gonna leave
You're gonna change or I'm a-gonna leave
