The jukebox is playing a honky tonk song
One more I keep saying and then I'll go home
What good would it do me, I know what I'll find
An empty bottle of broken hearts and you're still on my
mind

The people are laughing and having their fun
While I sit here crying over what you have done
My pockets are empty, my last drink of wine,
An empty bottle of broken hearts and your still on my
mind

--- Instrumental ---

Alone and forsaken, so blue I could die
I just sit here drinking till the bottle runs dry
To try and forget you I turn to the wine
An empty bottle of broken hearts and your still on my
mind
An empty bottle of broken hearts and your still on my
mind
