So hard to kill the memories
Harder when I'ts deep inside me
Deep inside
Slitting my vein
Hurt enough just feel like dying.

Can't stop from keep
Remembering
Can't turn and keep pretending
Seems like it's
Neverending
Forever tearing and bleeding

[chorus]
Only words, can be
Said
(Say what! What else! Say everything you want!)
Before you go, you
Can
(Take it! Take it all! Take every single piece!)
Just leaving me, on my
Own,
This sweet surrender.
I'll be ok, on my own!
(Own my own! own my own!
Let it be on my own!)
I'll be ok, on my own.

(Guitar)[chorus]
Only words,
Can be said
(Say what! What else! Say everything you want!)
Before you go,
You can
(Take it! Take it all! Take every single piece!)
Just leaving me,
On my own,
This sweet surrender.
I'll be ok, on my own!
(Own my own! own my
Own! let it be on my own!)
I'll be ok, on my own.

Forever be
Forever feels
It
Forever hurts

By touching the scars
Memories will
Comeback
Returning...

By touching the scars
Memories will
Comeback still hurting...
