Dinner's ready
And the wine is chilled
My baby's coming over
Well, I know just how I feel

Because I don't
Wanna lose your love
Think how it feels, baby
It's getting harder to conceal, yeah

Do I fit in the life
You've been living, boy
(Baby, say I do)
Do you feel all the love
I've been giving you

Oh, when you come home
Do you care to see me
Things ain't the way
They used to be, baby

I can't believe
That's your only reason
You've got to say
Just what's the reason

Don't take my love
For granted, boy
And then turn around
And do me dirty, whoa

I don't wanna lose your love
(I don't wanna)
I don't wanna lose your love
Don't wanna lose your love
(Don't wanna lose you)
I don't wanna lose your love
(Oh, come on)

Come on and say that
You will (say you will)
I'll do the best to fulfill

(I will be there)
I don't wanna lose your love
I don't wanna lose your love

I think you need my love
You can't defeat my love (my love)
You won't believe my love
(Don't wanna lose you)
I don't wanna lose your love

Hey, hey, yeah...

You just don't know, oh, whoa
What you do to me, well
I wanna ask you something
Hey, baby, hey, baby

I think we can make it
How bout you
But don't just send me
Away to be alone (away)
I don't think I can take it

Cause if you tell me to go
(Oh, I will)
Log on to Top40db.
I will leave you (for sure), oh
Don't ask me to stay
And do me wrong, yeah

Do I fit in the life
You've been living, boy
(Baby, say I do)
Do you feel all my love
I've been giving you

Whoa, I want the love
You love, most of all
Now you're the one
You never call, baby, but

But I don't think you really
Wanna leave me (no, no)
I think you're confused (no, no)
And you don't want to believe it

You can't take love and just walk away
With the guilt that you carry
You'll be back some day, whoa

I don't wanna lose your love

(I don't wanna)
I don't wanna lose your love
Don't wanna lose your love
(Don't wanna lose you)
I don't wanna lose your love (well)

Come on and say that you will
I'll be there to fulfill
I don't wanna lose your love
I don't wanna lose your love

I don't wanna lose your love
Don't wanna lose your love
Don't wanna lose your love
I don't wanna lose your love

Yeah, hey, oh, yeah
You just don't know
No, what you do to me
Well, well, ooh, ooh

I don't wanna lose, lose your love
I don't wanna lose, lose your love
I don't wanna lose, lose your love
I don't wanna lose, lose your love

I don't wanna lose, lose your love
I don't wanna lose, lose your love
