I'm just a young girl
Dying to learn the ways of love
Just to please you
You're the only someone I love
Come on and teach me

There are so many things
That I, I just don't know
But I, I love you
Love you, love you so
So the things I don't know
Show me how (show me, show me how)

I don't wanna lose
Someone sweet just like you
For you make me feel like a queen
I wanna make you feel like a king
Show me how

You know I want you
How bad I need you
I wanna kiss you right now
{Right now, right now}

If I don't move you
Wanna try to soothe you
And, darling, please show me how
{To love you, baby}

There are so many things
That I just don't know, oh
But I, I love you
Love you, love you so
So the things I don't know
Show me how

Show me (show me)
Show me, show me, show me how
(I'm ready to learn)
Show me, show me, show me
Show me how

Show me, show me (come on, baby)
Show me, show me how
(Teach me right now)

Show me (I wanna please you, baby)
Show me, show me, show me how
(I don't wanna lose you)

Show me, show me
Show me, show me how
Show me, show me
Show me, show me how...
