[Lyrics: Ihsahn.]

[4:48]

O' mighty Lord of the Night. Master of beasts. Bringer
of pain and derision.

Thou whose spirit lieth upon every act of oppression,
hatred and strife.

Thou whose presence dwelleth in every shadow.

Thou who strengthen the power of every quietus.

Thou who sway every plague and storm.

Harkee.

Thou art the Emperor of Darkness.

Thou art the Emperor of Darkness.

Thou art the king of howling wolves.

Thou art the king of howling wolves.

Thou hath the power to force any light in wane.

Sans mercy. Sans compassion

Nor will to answer whosoever asketh the why.

Thy path is capricious but yet so wide.

With no such thing as an impediment to strong.

Every time thou consecrate me to another secret of
Thine,

I take another step towards Thy Pantheon.

O' mighty Lord of the Night. Master of beasts. Bringer
of awe and derision.

Thou whose spirit lieth upon every act of oppression,
hatred and strife.

Thou whose presence dwelleth in every shadow.

Thou who strengthen the power of every quietus.

Thou who sway every plague and storm.

Harkee.

Thou art the Emperor of Darkness.

Thou art the Emperor of Darkness.

Thou art the king of howling wolves.
Thou art the king of howling wolves.
Thou hath the power to force any light in wane.
Sans mercy. Sans compassion
Nor will to answer whosoever asketh the why.

Forever wilt I bleed for Thee.
Forever shall I praise Thy dreaded name.
Forever will I serve Thee.
Thou shalt shalt forever prevail.

Inno a Satana. Inno a Satana.
Inno a Satana. Inno a Satana.

Inno a Satana.
