[Hook: Block]

Early in the morning, trying to find another club  
Cause this one's, bout to close up  
Swerving a Suburban, trying to find another club  
Cause I'm still trying, to po' up

[Lucky]

I been up two nights, and I'm still going hard  
Party nonstop, Lucky living like a star  
Why the club close, when a playa having fun  
Just killed my last drink, I was about to get crunk  
Lil' mama where you from, well what you gon do  
Why don't you get your friends, and they all can come  
too  
They gotta qualify though, they gotta be worthy  
I'ma give you my number, but holla at me you heard  
me  
Y'all can all come through, if you talking bout  
something  
Pack up in my Suburban, that be sitting on them buttons  
When the sun come up, baby girl you gotta go  
Get your shoes get your clothes, get your purse and hit  
the do', it's

[Hook]

[Lucky]

Ahh naw, a playa can't chill  
Why them boys, turn on the lights in here  
It's two o'clock already, I'm still trying to drink  
Bouncer looking at me, like finish that mayn  
light I'm through, yeah disappear  
Trying to find something sexy, so I can get up in her  
ear  
And tell her something thoed, something she never  
heard  
Chop up some real game, and have her like whaat  
Nothing to a playa, cause a playa get chose  
That's about piece and chain, shoes watches and  
clothes  
I'm a fool boy, it ain't new to the kid

I got one life to live, might as well do it big

[Hook]

[Lucky]

It's 3:30 in the morning, it's still going down  
Ten butt naked's in the room, going live  
We done hit the spot, parking lot pimping  
See how quick, my whip had all of the women  
Following us, back to the Telly-elly  
I asked her in the lobby, are you sure you're really  
ready  
Cause it's bout to go down, it's some real game spitters  
She use to them squares, and never met no real pimp  
And I would lace it up, but right now I ain't got time  
Only here for my show, what go down  
Early in the morn', I gotta catch a damn flight  
Come see about me girl, I'm only here for one night
