Gone  
It never will be yours  
Now  
You share the pain  
This gift severed from your hands  
They live through stories of the past  
All your life they would be there for you  
Or so you thought  
The day has come for you  
To make it on your own  
Cuz they have nothing left to give  
Abandoned by your youth  
You're forced to live  
You're forced to live  
Abandoned you're forced to live  
You're forced to live  
Abandoned, you're forced to  
Take it or leave it  
This is your life  
(3x)  
Take it or leave  
Go see how far you make it  
Throughout life there will be hard times  
Things won't go your way, step up to the plate  
You'll find yourself that way  
Stop living in the past, take off the cast  
You're forced to live  
Abandoned, you're forced to live  
You're forced to live  
Abandoned, you're forced to  
Take it or leave it  
This is your life  
(3x)  
Take it or leave  
Go see how far you make it  
[INTERLUDE]  
I just live with no regrets  
Live like life never ends  
This is what you're creating  
Go see how far you make it  
No regrets (4x)
