This hunger
I'd sooner fall to death than taste the bitterness of your
demands
You must remember
That you can't be cleaned, cleaned by filthy hands
I am eternal
I can't be broken down
I can't be hurdled
You'll have to take the crown
(2x)
I won't be silenced by you
I won't be silenced by you
I won't be silenced by you (this isn't over)
I won't be silenced by you (oh no it's just begun)
Now we scream the words as one
Our voices will become the thing
The thing that makes your end
As the world turns I know they sit upon their thrones
And seek to take what they don't own
I am eternal
I can't be broken down
I can't be hurdled
You'll have to take the crown
(2x)
I won't be silenced by you
I won't be silenced by you
I won't be silenced by you (this isn't over)
I won't be silenced by you (oh no it's just begun)
We're here and we won't be backing down
You'd sooner see me in the ground
Cause there is absolutely nothing
Nothing that will keep us from the crown
No we won't be backing down
You'll have to put us in the ground
Cuz there is absolutely nothing that will keep us from
the crown
