Days go by my window  
World slows down as it goes  
Goodbye to last night  
Lost my eyesight  
Can't you help me see?

[Chorus:]

Loving every minute 'cause you make me feel so alive, alive  
Loving every minute 'cause you make me feel so alive, alive  
Alive, alive

Waking in the snow  
Tracing steps of you  
Swimming through the smoke  
Wrapped in velvet gold  
Can't you help me see?

[Chorus]

Can you describe to me  
All the world that you see  
All I need is so much  
I'll just wait

Freedom is within you  
Giving makes us feel good  
Hello to my people  
Say hello to the future  
Freedom is within you  
Giving makes us feel good  
Hello to my á<sup>1</sup>—eople  
Say hello to the future

[Chorus] x 2
