(Verse)

You stand apart, we was crying through
If I she'd a tear, baby do it then
Is there a part of me that goes to you?
Is there a part to you like privacy

(Pre-Chorus)

Give it up and I don't know why
You are never rising
I just wanted you
Will I show you a part is over me?
You're my life
You're my life
You're my life

(Chorus)

Movement slows
Awakening, we make believe
Awakening
Movement slows
Awakening, we make believe
Awakening

(Verse)

I looked through the spots when I spotted you
Making you girls seen that I'm okay
Are you a star? Here's a part of you
Empire of Sun, deep into the flame

(Pre-Chorus)

Give it up and I don't know why
You are never rising
I just wanted you
Will I show you a part is over me?
You're my life
You're my life
You're my life

(Chorus)

Movement slows
Awakening, we make believe

Awakening
Movement slows
Awakening, we make believe
Awakening

Awakening
Awakening

If I climb away before I do that
Yes I'll hide away from a dream yea
That's a place we were from here
That's a place that's far from here

(Chorus)
Movement slows
Awakening, we make believe
Awakening
Movement slows
Awakening, we make believe
Awakening

Awakening
