(Verse)

Follow the simplest fact  
Girl you cheated through the breakin way  
Fall through the love like I never loved  
Soberer than IÂ've ever been

(Verse)

Call me, hard to emerge yea  
Sittin on the fire and waitin  
All the things I have changed and IÂ'm afraid you  
Crossed an inch away

(Chorus)

We celebrate, we celebrate  
We celebrate  
We celebrate, we celebrate  
We celebrate

(Verse)

Sorry, it touches a bad news  
What you wanted? I say come on and go  
Louder, lookin at all the fires  
I say anyway the inch took off

(Verse)

Sorry, the angels had split sure  
Of the verge and washed away  
To fly is only one, all I ever said  
In a simple way

(Chorus x2)

We celebrate, we celebrate our love  
We celebrate our love  
We celebrate, we celebrate our love  
We celebrate our love

(Bridge)

Â'Cause for real it looks like youÂ're in the dark  
Bount to be upon a star  
Imagine how youÂ'd feel  
HereÂ's weÂ're feeling lost

(Chorus x2)  
We celebrate, we celebrate our love  
We celebrate our love  
We celebrate, we celebrate our love  
We celebrate our love
