I'm in love  
With a dinosaur  
I never felt  
This small before  
He can take  
Me back in time  
And make me happy  
Like a little child

I'm trying to catch your shadow on the wall  
Standing next to you I feel so small

I'm in love  
With a dinosaur  
Peace in my head  
But my heart  
Drums below  
I'm in love  
With a dinosaur  
Now I know  
What a heart is for

I'm trying to catch your shadow on the wall  
Standing next to you I feel so small

I'm trying to catch your shadow on the wall  
Standing next to you I feel so small

Ahiha  
Ahiha  
Ahiha

Yeah  
Yeah  
Yeah

Hi  
Hi  
Hi

Ooh

Ooh  
Ooh

Ooh  
Oohoo  
Oohoo

I'm trying to catch your shadow  
I'm trying to catch your shadow  
I'm trying to catch your shadow  
I'm trying to catch your shadow  
Standing next to you I feel so small  
I feel so small
