(Verse)

When I jumped Iâ€™ve found  
Imagine what I saw  
Secret underground  
Changed the way I see  
Lost but youâ€™re in time  
He ran away from me

(Verse)

I am reaching, pull down a diamond  
I donâ€™t care who witness  
So I took my life  
She tried to change

(Chorus)

Oh letâ€™s get ready to move  
Weâ€™ve been on this beach again  
Oh letâ€™s get ready to move  
We can last forever  
Oh letâ€™s get ready to move  
Just like the ice on the dune  
Oh letâ€™s get ready to move  
Iâ€™m waiting

(Verse)

I know a beautiful town  
High above the clouds  
A special place to be  
I guess you want it

(Verse)

I am reaching, hold on for something  
Theyâ€™re coming up forever  
So I donâ€™t remember  
She tried to change

(Chorus)

Oh letâ€™s get ready to move  
Weâ€™ve been on this beach again  
Oh letâ€™s get ready to move  
We can last forever

Oh let's get ready to move  
Just like the ice on the dune  
Oh let's get ready to move  
I'm waiting

(Bridge x2)

Oh I've been waiting all night long  
By the road  
Oh I've been waiting all night long  
By the road

(Chorus)

Oh let's get ready to move  
We've been on this beach again  
Oh let's get ready to move  
We can last forever  
Oh let's get ready to move  
Just like the ice on the dune  
Oh let's get ready to move  
I'm waiting
