(Verse)

When I was young
The feeling was there
It is still there
Oh even you need
As I recollect
Keep me back to the steps of it
To the airs of the bear stone
I'll listen to them

(Chorus1)

So I made up my mind
I'll be around for a while
You can better your life
I'll be around for a while

(Verse)

Call out my name, when you call I'll be there
I'm always runnin chasing fleas on a dep
Come back in that light, come on darling shine
Call out my name, when you call I'll be there

(Chorus1)

So I made up my mind
I'll be around for a while
You can better your life
I'll be around for a while

(Chorus2)

Time after time,
I'll be around
This love tonight
It will be around for a while

(Verse)

This is for her house let's then make it so proud
Virtually a mystic couldn't ravel tonight
Harder than diamonds, couldn't describe
Running like a river while I move to sun

(Chorus1)

So I made up my mind
Iâ€™ll be around for a while
You can better your life
Iâ€™ll be around for a while

(Chorus2)
Time after time,
Iâ€™ll be around
This love tonight
It will be around for a while

(Verse)
We donâ€™t need to stay
Have you seen? Yes I changed my ways again
We will see
Leaving me to sleep

(Verse)
When Iâ€™ve prayed, aha
Prayed to live with someone like you someday
Itâ€™s over me you say
Itâ€™s over me, Itâ€™s over me

(Chorus1)
So I made up my mind
Iâ€™ll be around for a while
You can better your life
Iâ€™ll be around for a while

(Chorus2)
Time after time,
Iâ€™ll be around
This love tonight
It will be around for a while
