Walking on a dream
How can I explain?
Talking to myself
Will I see again?

We are always running
For the thrill of it, thrill of it
Always pushing up the hill
Searching for the thrill of it

On and on and on
We are calling out and out again
Never looking down
I'm just in awe of what's in front of me

Is it real now?
When two people become one
I can feel it
When two people become one

Thought I'd never see
The love you found in me
Now it's changing all the time
Living in a rhythm
Where the minute's working overtime

We are always running
For the thrill of it, thrill of it
Always pushing up the hill
Searching for the thrill of it

On and on and on
We are calling out and out again
Never looking down
I'm just in awe of what's in front of me

Is it real now?
When two people become one
I can feel it
When two people become one

Is it real now?

When two people become one
I can feel it
When two people become one

Catch me, I'm falling down
Catch me, I'm falling down

Don't stop, just keep going on
I'm your shoulder, lean upon
So come on, deliver from inside
All we got is tonight
That is right 'til first light

Is it real now?
When two people become one
I can feel it
When two people become one

Is it real now?
When two people become one
