I didn't ask, they shouldn't have told me
At first I'd laugh but now it's sinking in fast
Whatever they've sold me

Well baby I don't want to take advice from fools
I'll just figure everything is cool
Until I hear it from you

It gets hard, the memory's faded
Who gets what they say?
It's likely they're just jealous and jaded

Well maybe I don't want to take advice from fools
I'll just figure everything is cool
Until I hear it from you, until I hear it from you

I can't let it get me off or break up my train of thought
As far as I know, nothing's wrong
Until I hear it from you

Still thinking about not living without it
Outside looking in, till we're talking about it
Not stepping around it but may be

I don't want to take advice from fools
I'll just figure everything is cool
Until I hear it from you, until I hear it from you
Until I hear it from you, until I hear it from you, oh no

Until I hear it from you, oh no
Until I hear it from you
Until I hear it from you
Until I hear it from you
