"Sugar High"

They all said, she's just another groupie slut
And I said, I thought you were anything but, think again
Sometimes reputations outlive their applications
Sometimes fires don't go out when you're done playing
with them
I feel so funny deep inside when you kiss me goodbye

Sugarhigh, sugarhigh

We could go out and not even leave the house
A TV set and a bottle of wine is just fine
Making out on that old pull out couch
Watching Saturday Night Live, I guess, that's why
I feel so funny deep inside when I lick between your
thighs

Sugarhigh, sugarhigh, alright

I have searched both far and wide
And I've explored the deepest caverns on my mind
To try and find an explanation why
I get this funny feeling deep inside
When you kiss me goodbye and when I lick between
your thighs

Sugarhigh, sugarhigh, sugarhigh, sugarhigh, shh
