And on a day like this all rainy and wet
I wish for it to clear on up, so I can play my guitar
Sitting now with a beat in my head
Which got me kick-started outta my bed
I wanna go, go, ah doesn't it show
I wanna go, go, go, go, go

It's just like always, I'ma play the guitar t'ill I'm a
Fuckin' a superstar
It's just like always, I'ma play the guitar t'ill I'm a
Fuckin' a superstar

And on a night like this all rainy and wet
I wish for it to clear on up, so I can play my goddamn
Show
Ah sittin' now with a beat in my head
Got me kick-started outta my bed
I wanna go, go, ah doesn't it show
I wanna go, go, go, go, go

It's just like always, I'ma play the guitar t'ill I'm a
Fuckin' a superstar
It's just like always, I'ma play the guitar t'ill I'm a
Fuckin' a superstar
I'ma play the guitar t'ill the day that I die, t'ill the
Day that I die, die, die yeah!
