March on little soldiers
March on little sinners
Reaching for the end again

March on little brothers
March on little sisters
Can you reach the light again

And I broke my fingers one by one
Just to see if I'm alive

Follow me into my dreams
And tell me if I'm crazy or insane
I saw the one wing angel bleeding
He can't die but he's trapped in
His pain

The moon crashed on the earth and
I count myself to sleep
'Till I open up my eyes again

March on little brothers
March on little sisters
Show them that you've got inside

And I broke my fingers one by one
Just to see if I'm alive

Follow me into my dreams
And tell me if I'm crazy or insane
I saw the one wing angel bleeding
He can't die but he's trapped in
His pain

I broke my fingers one by one
Just to feel that I am still alive

And I broke my fingers one by one
Just to feel that I'm alive, alive

Follow me into my dreams
And tell me if I'm crazy or insane

I saw the one wing angel bleeding
He can't die but he's trapped in
His pain
