[Peter Gunz]
If you mad and you hatin' mother fucker please kill it
You know Neptunes is hot like skilletts
Your ego's scared then nigga please go heal it
That tight ass fitted cap the dogs will peel it
Long as the Bronx still got me and New York still feel it
For the jump off, jump off niggas best to kill 'em
Ay yo Gunz you change let's make it rain you conceited
Naw still got a 9 girl and Peter still eatin'
I'm just another nigga from the hood in the car
Six double zero bikes double the R

See them dogs draped in red cover the bar
See them cowards be in the club trouble we are
I smokes no drugs just Henney no chase
Foot on the throttle with models giving me face
Like Oochie Wally Wally she gave me lolly lolly
Now you wanna polly polly holla if you hear me y'all

[Chorus: Pharrell Williams & (Lord Tariq]

Yo, if you mad and you hatin' muh fucker please kill it
Tariq and P. G. 'bout to drop gots to feel it
Dogs on call blood 'bout to spill it
Sound view nigga, BX the realest
Spent the illest hours on the block moving powder
And back up in this rap game crack game sour
And my path is crocked I suggest you don't follow it
Pockets quite rollick and bullets quite hollow
And ladies they really love a nigga's pipe game
Givin' 'em slight pain for brain you might gain
Above the weather no hail, sleet, rain
I love the cheddar it aint nothing better man
About 8 karats imbedded in the chain
And another 8 invisible set in the ring
Money aint a thing buy a plane then we fillin' 'em
Ride in 2 Suburbans and a Hirsch cause we killin' 'em
