Now now now now now now now now boyyy
Hearing everything so faster
Now now now now now now now now boyyy
Giving myself a heart attack
Now now now now now now now now boyy
I'm so bored I can't stand still
Now now now now now now now now boyy
I'm so bored I can't think straight

I'm so, I'm so distracted
I'm so, I'm so distracted
I'm so, I'm so distracted
I'm so, I'm so distracted

Now now now now now now now now boyyy
Hearing everything so faster
Now now now now now now now now boyy
Giving myself a heart attack
Now now now now now now now now boyy
I'm so bored I can't stand still
Now now now now now now now now boyy
I'm so bored I can't think straight

I'm so, I'm so distracted
I'm so, I'm so distracted
I'm so, I'm so distracted
I'm so, I'm so distracted

I can't concentrate on anything at all
(I'm so, I'm so distracted. x2)
I can't concentrate on anything at all
(I'm so, I'm so distracted. x2)

I'm so, I'm so distracted
I'm so, I'm so distracted
I'm so, I'm so distracted
I'm so, I'm so distracted

I can't concentrate on anything at all
(I'm so, I'm so distracted. x2)
I can't concentrate on anything at all

(I'm so, I'm so distracted. x2)

I can't concentrate on anything at all.

I CAN'T CONCENTRATE ON ANYTHING AT ALL!
