Blood On The Dance Floor
Bangin' me, will make you pretty

I did it again
I committed a sin
Drunk dialed my ex
Fuck her right to the next
Who's on my neck
Mr. Whiskey Trainwreck
Always breakin' the law
Blame it on alcohol

You better call the cops
Because we just won't stop
We got that beat that drops
Just drop it like it's hot

You better call the cops
Because we just won't stop
We got that beat that drops
Just drop it like it's hot

D.U.I-I-I-I-I
D.U.I-I-I-I-I
If it's not rough, then it's not good enough-ough-oughh
D.U.I-I-I-I-I
D.U.I-I-I-I-I
Breakin' hearts cause I'm not in love-ove-ove

Lock you up in my cuffs
Shu-Shu Shut the fuck up!
Do I look like a Chick?
You're my prisoner Bitch!
You wanne get with me huh?
My dick will break your damn jaw!
Fab-fab-fabulous everyday
Wanna fuck and say Hey!

You better call the cops
Because we just won't stop
We got that beat that drops
Just drop it like it's hot

You better call the cops
Because we just won't stop
We got that beat that drops
Just drop it like it's hot

D.U.I-I-I-I-I
D.U.I-I-I-I-I
If it's not rough, then it's not good enough-ough-oughh
D.U.I-I-I-I-I
D.U.I-I-I-I-I
Breakin' hearts cause I'm not in love-ove-ove

Intoxicated, super jaded, complicated,
I'm faded!
Intoxicated, super jaded, complicated,
I'm faded!
I'm bathin' with all the models naked!
Live it up, drink it down, party till you hit the ground
Live it up, drink it down, party till you hit the ground

D.U.I-I-I-I-I-I-I
D.U.I-I-I-I-I
Blood on the Dance Floor!

Blood on the Dance Floor!
Go!
D.U.I-I-I-I-I-I-I-I-I
D.U.I-I-I-I-I
I'm dancinggg!
(Blood On The Dance Floor!)
Under the influence!
You better call the cops
Because we just won't stop
Oh Oh!
Babyyy!
Blood On The Dance Floor!
I'm dancinggg!
(You better call the cops
Because we just won't stop)
Dancing under the influence
