My force is something that won't be ignored  
My hands are clinching while they're holding your world  
Scream about it baby, make a fist  
Your precious f\*cking world won't be missed

Don't forget  
Just regret  
The person that you are  
Don't forget  
Just regret  
You weren't always a star

When you look in the mirror  
Baby tell me  
What do you see  
Is it all you ever wanted  
Is it the life  
That you dreamed

Oh oh, you sold out to be  
Just a Hollywood tragedy  
Oh oh, you sold out to be  
Just a Hollywood tragedy

You play the victim  
In every situation  
I can't take it no more  
I've tried again and again  
To convince you  
In life there is so much more

Don't forget  
Just regret  
The person that you are  
Don't forget  
Just regret  
You weren't always a star

When you look in the mirror  
Baby tell me  
What do you see  
Is it all you ever wanted

Is it the life  
That you dreamed

Oh oh, you sold out to be  
Just a Hollywood tragedy  
Oh oh, you sold out to be  
Just a Hollywood tragedy

You say  
You'll have fame  
You'll be at the top someday  
But truth is  
It's pointless  
No one even knows your name  
You're too full  
Of yourself  
To love someone else  
You compromised your entire life  
Look what's left  
While you're still alive

When you look in the mirror  
Baby tell me  
What do you see  
Is it all you ever wanted  
Is it the life  
That you dreamed

Oh oh, you sold out to be  
Just a Hollywood tragedy  
Oh oh, you sold out to be  
Just a Hollywood tragedy
