I tied myself into you.
We became just as one.
You were a bullet of hate..
With a ton of force.
And I was just your gun.
You're the Antidote and the Disease.
Your lips; the cure to the death of me.
I always say I won't.
I'll never do it again.
But here I am begging you..
I just keep giving in.

She smells sweet of pure seduction.
Makes me wanna 'cause destruction.
Gothica Lollita Girl.
Horribly invade my world.
Give me pain; scream my name.
Strap me down; tie me up.
Make me wanna' fuck you up.
Roll around; to the ground.
Search me like the lost and found.
Provactive; let's rock this shit.
Like MCee dee's; I'm lovin' it.
Super glue; I'm stuck on you.
Rubbing you; touching you.
Imagine all the things we'd do.
Horribly delicious.
Just take me down Militias.

Chorus:
Oh, oh. Oh, oh. Oh, oh.
You're so vicious.
Oh, oh. Oh, oh. Oh, oh.
But I don't want this.
Oh, oh. Oh, oh. Oh, oh.
I love your kisses.
Oh, oh. Oh, oh. Oh, oh.
You're so delicious.
End my strife; be my wife.
I cannot be; locked without a key.
Fuck my life; kill me twice.

Bury me deep; I will not sleep.

I can be sweet! just like Reese's.
I can be cruel; shred you to pieces.
I can be your savior; undertaker.
I can be the love of you life..
Or your heartbreaker.
You're like a nightmare..
Then you turn into a dream.
What's happening to me?
Ahhhhh!
Fuck my life.

Chorus.

I'll never do it again; But I keep giving in.
[x3]
I keep giving in.
[x2]
Fuck my life.

Chorus.

I'll never do it again; But I keep giving in.
[x3]
I keep giving in.
[x4]
