I hate your drama rumors all the bullshit that you spread  
If killing wasn't illegal I would shoot you in the head  
I'm pullin' on the triggers  
I'm pointin' middle fingers  
If you think I'm giving up, then you're really outta fucks  
I can do it for the win  
Busting out with a grin  
Going strong, holding hands  
And you know our life is bam  
Bam

Bitches tryin' to fuck with me, you will get what you deserve  
All these bitches want revenge  
So I dodge em' and I swerve  
I hear those bitches talk  
Causing drama bullshit  
But I'm never going down  
You can't sink my battleship

I've been cheated  
I've been broken  
I will not be impressed  
I have every lasting ticket  
Till there's hardly nothing left  
But the hate just keep on comin'  
Even when I lose my fate  
It's because I keep on swimming  
They just perish to their hate

No, no, no, no, no, no  
Your words can't keep me down  
No, no, no, no, no, no  
I won't give up and drown

I refused to sink  
I'd rather swim  
I'm not going down  
Cause I will win  
Can't hold me back

Where will you be  
I'll be anchored down  
You'll be lost at sea

Hi I'm Jayy I'm gay  
The crazy violent  
Faggot with AIDS  
Well that's what other people say  
Then it must be true  
Cause all the things  
That are that bad  
Are things I do  
If I get into a fight  
Fuck  
What they have to say?  
That I wouldn't wake a different life this way  
So you can see  
You can read about me  
And the things that see  
And think that's all there is to believe  
Like really?  
Really?  
Really!  
Is it true that you sum your life up in a tweet  
Cause I can't  
That's not me  
That's me pretending to be whatever I want to be  
But I think it's time I do me  
Be whatever the fuck I want to be  
Don't need permission  
I'll do what I please  
And when the wait  
Where will you be?

No, no, no, no, no, no  
Your words can't keep me down  
No, no, no, no, no, no  
I won't give up and drown

I refused to sink  
I'd rather swim  
I'm not going down  
Cause I will win  
Can't hold me back  
Where will you be  
I'll be anchored down  
You'll be lost at sea

I refused to sink  
I'd rather swim  
I'm not going down

Cause I will win  
Can't hold me back  
Where will you be  
I'll be anchored down  
You'll be lost at sea

Bitch, bitch, bitch, bitch, bitch...  
You can die motherfucker

I refused to sink  
I'd rather swim  
I'm not going down  
Cause I will win  
Can't hold me back  
Where will you be  
I'll be anchored down  
You'll be lost at sea

I refused to sink  
I'd rather swim  
I'm not going down  
Cause I will win  
Can't hold me back  
Where will you be  
I'll be anchored down  
You'll be lost at sea

No, no, no, no, no, no  
Your words can't keep me down  
No, no, no, no, no, no  
I won't give up and drown
